

ELECTRONIC INVOICING IS NO LONGER A PROBLEM FOR BFF CLIENTS WHO ARE SUPPLIERS TO THE PUBLIC ADMINISTRATIONS AND NATIONAL HEALTH SERVICES

BFF's clients can use our exclusive electronic invoicing system to send invoices to the Interchange System (SDI) and the purchasing PA, thus managing the relationship with Entities. The SmartFlow PA service can be further integrated with the Electronic Storage service.

▶ WHAT ARE THE ADVANTAGES OF SMARTFLOW PA?

SmartFlow PA is a platform managed directly by BFF and is characterized by:

- total outsourcing of flows from/to SDI
- user-friendly web platform
- continuous assistance
- all-inclusive annual fee

▶ WHAT CHARACTERIZES BFF'S ELECTRONIC INVOICING SERVICE?

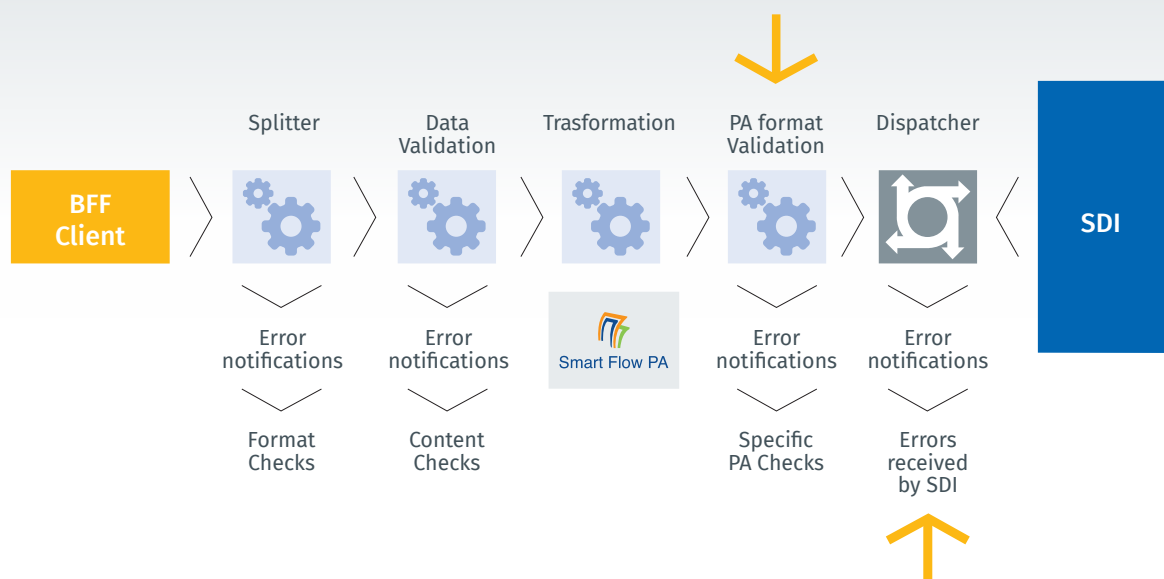

- Correction of editable fields
- Can be integrated with the Smart doc PA form
- Short set-up times
- Synergy with the management service

Smart Flow PA

Advanced credit management
